Step 1
Paint Carton and allow to dry.

Step 2
Draw, paint and cut out windows and doors on coloured or white paper.

Step 3
Glue windows and doors onto all 4 sides of the painted carton using PVA glue.

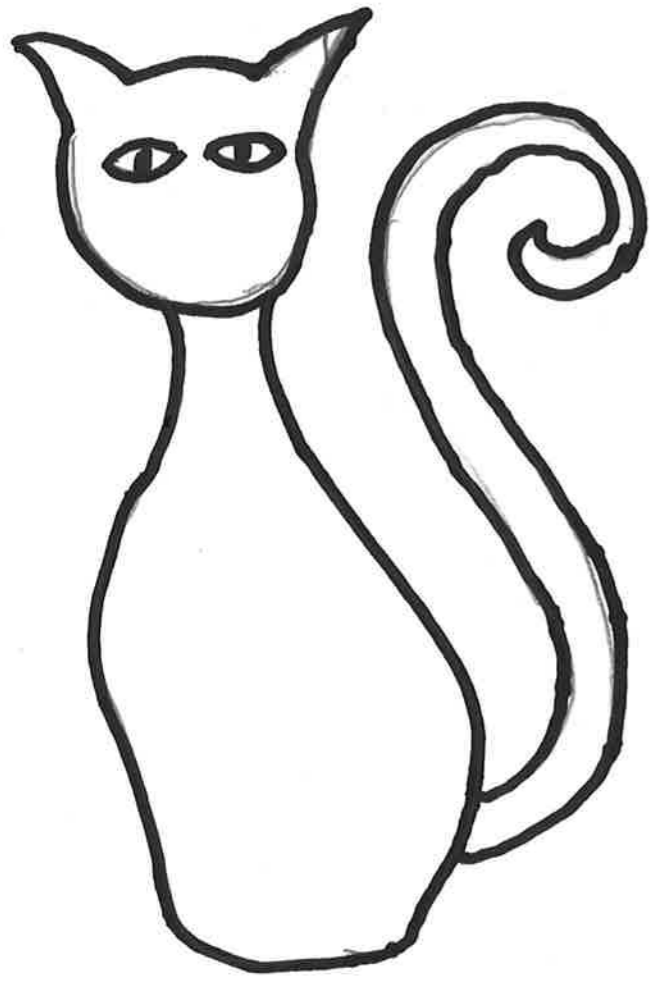

Step 4
Glue lollipop sticks to the top of your carton to make a roof.

Step 5
If your carton has a cap, cut lollipop sticks to fit around the cap and glue them to the top of the carton. You can also use a white paper cap and glue it to the top of the carton. You can also use a white paper cap and glue it to the top of the carton.

Step 6
Colour and cut out a selection of Halloween images. You can use the templates or draw your own.

Step 7

Glue the Halloween cut outs onto your haunted house.

Step 8

Paint your sheet of cardboard, allow for it to dry. Then stick on your carton using double sided tape.

Step 9

Paint 1 or more pine cones orange with one green stem at the top to make a pumpkin.

Step 11

Paint another pine cone black. Wrap 4 pipe cleaners around the black pine cone in a row to create 8 legs. Then stick on some googly eyes to make a spider.

Step 12

Stick the pinecone pumpkins and spider to the sheet of cardboard using double sided tape.

Step 13

Fold back the bottom of any left over cut outs and stick them onto the sheet of cardboard using double sided tape.

Congratulations° Mbu have made your very own <aunted <ouse°
